Colosseum Dental Group to acquire OdontoSalute and enter the Italian dentistry market

Colosseum Dental Group ("Colosseum"), a fully owned portfolio company by Jacobs Holding AG, is pleased to announce to have reached an agreement with Dr. Fabio Boscolo, the company's founder and CEO, to acquire 70% of OdontoSalute. With this acquisition, Colosseum will further expand into continental Europe and become one of the leading dentistry clinic operators in Italy with 10 directly owned clinics and close to 30 further franchisee clinics. Financial terms of the transaction have not been disclosed.

At present, Colosseum has sales in excess of EUR 250 million and operates more than 150 clinics in Norway, Sweden, the UK, Switzerland, Italy and Denmark, further pursuing its journey to build a leading pan-European dentistry group.
